Dear Church Family,

**Worship**

We are very excited to inform you of a development in our worship. **This will be of particular interest to those of you without access to the Internet.** Our **Thursday morning service** will now be accessed using **Zoom**. Every ‘virtual’ platform has advantages and disadvantages, but the use of this platform will allow us to communicate with (and see) each other at the start and end of the service, additionally those who do not have access to the Internet will be able to join the service by telephone. **The 21st May will of course be Ascension Day.**
