### Should we be allowed to sing in church?

Well done to Ginny Ward who appeared on GB News this week. Ginny made a convincing case for church congregations to be allowed to worship God in song, drawing attention to the football spectators who are now not only in close contact but understandably singing their hearts out. She was interviewed on the DePeiro and Halligan show at lunchtime on Wednesday. The interviewers were fair and seemed very sympathetic to her viewpoint, Liam Halligan praised Ginny saying that she had expressed herself most eloquently. If you missed the interview we hope to post this on our Parish Facebook page shortly.
