## MISSION NEWS: MAONI ORPHANAGE FARM

Dear Sister Ruth,

Greetings to you in the name of our Lord Jesus Christ.

I would like to share with you about what has happened at the orphanage farm. Our two windmills has been damaged due to heavy winds which was uncontrollable and it resulted to have our two windmills broken which are urgently need to be repaired because we only remain with one windmill and 3 solar system which are working, to keep crops health we need all pumps to be working even at the fish pond need to have fresh water for the fish.

Below are some pictures of the last green maize before will start planting rainy seasonal maize plant.

We have the problem of the price of fertilizer which is high than last year. We were buying MK23, 000.00 last year and his year is at MK40, 000.00. So we will need your help for that extra cost of the money.

Finally please help us to repair the damaged windmills which will cost us MK450, 000.00 for both windmills to be 100% well again, it is very useful indeed to have those two back in service.

Yours in Christ Jesus.

Morcio.
